

PRELIMINARY ENTRY REQUEST (PER)

This form enables Coaches to request an athlete be included on the Preliminary Entry List for a specific international event.

Sometimes the deadlines for Preliminary Entries are set for before the end of WNZ qualifying periods. Coaches (or in the absence of a Coach, the athlete themselves) are required to submit a PER for individual athletes who have identified a particular event on their 2026 Individual Performance Plan. Refer to the [2026 Selection Policy for International Events](#) for full details on qualifying periods, standards and events.

If a PER is not submitted for an event, the athlete will not be included in the Preliminary List as this indicates that the athlete is not targeting that event.
