2027 PRELIMINARY ENTRY REQUEST (PER)

Updated 29 October 2026

- A PER must be submitted by the Coach (or Athlete) before the deadline to ensure inclusion on the Preliminary Entry List.
- If an athlete has qualified, submitting a PER indicates an athlete's intention to compete.
- Note that submitting a PER does not mean the athlete has been/will be selected
- Not submitting a PER does mean that the athlete won't be included in the event's Preliminary Entries and therefore cannot be added.
- If an athlete has not yet qualified, submitting a PER ensures the athlete is included on the event's Preliminary Entry List in the event they qualify within the qualifying period.

If you have any doubt if you have qualified – or want to check – please contact:
cleansport@weightlifting.nz

There is only 1 PER document – all events are listed on that document.
However, in accordance with the IWF deadlines for Preliminary Entries, each event has a different deadline for submitting the PER. You/the athlete can submit more than 1 PER.
